6. The Ministry of Corporate Affairs (MCA) has notified provisions relating to Unpaid / Unclaimed Dividend under Sections 124 and 125 of the Companies Act, 2013 and the Investor Education and Protection Fund (Accounting, Audit, Transfer and Refund) Rules, 2016. As per these rules, the amount of Dividend remaining Unpaid or Unclaimed for a period of seven years from the due date is required to be transferred to the Investor Education and Protection Fund (IEPF), constituted by the Central Government. The Company had, accordingly, transferred ₹ 11,33,210/- (Rupees Eleven Lacs Thirty Three Thousand Two Hundred and Ten Only) to IEPF on 10<sup>th</sup> October, 2018 being the Unpaid and Unclaimed Dividend amount pertaining to Final Dividend for the Financial Year ended 31st March, 2011. The detail of Unpaid / Unclaimed Dividend lying with the Company as on the date of the last Annual General Meeting in respect of the financial years from 2012 to 2013 is available on the website of the IEPF viz. [www.iepf.gov.in](http://www.iepf.gov.in) and also on the website of the Company; [http://www.hbestate.com/Investor%20Information/Unpaid%20Dividend/index\\_2018.html](http://www.hbestate.com/Investor%20Information/Unpaid%20Dividend/index_2018.html)

The Company strongly recommends Shareholders to encash / claim their respective dividends within the period given below from the Company's Registrar and Share Transfer Agent:

Financial Year	Last Date for claiming Dividend	Unclaimed Dividend in ₹ (As on 31.03.2019)
2011-12	15 <sup>th</sup> October, 2019	12,37,271.00
2012-13	26 <sup>th</sup> December, 2022	8,94,887.50

Note: No Dividend has been declared by the Company after FY 2012-13.

Pursuant to the provisions of Section 124 of the Companies Act, 2013 read with Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 and Amendment Rules thereto, the Company has duly transferred all Equity Shares in respect of which Dividend has not been paid or claimed for seven consecutive years or more to the specified DEMAT Account of the Investor Education and Protection Fund (IEPF) Authority, Ministry of Corporate Affairs after giving individual notice to all such Equity Shareholders and publication of newspaper advertisement thereto. The complete details of such Equity Shares transferred to IEPF Account is available on the website of the Company; <http://www.hbestate.com/Investor%20Information/transfer-of-equity/index.htm>

Any further Dividend on such Equity Shares shall be credited to the IEPF Account. The Equity Shareholders may claim back their Shares along with the Unclaimed Dividend amount from the IEPF Authority by following the refund procedure as detailed on the website of IEPF Authority; [iepf.gov.in/IEPFA/refund](http://iepf.gov.in/IEPFA/refund). The refund procedure is also available on the Company's website, <http://www.hbestate.com/Investor%20Information/transfer-of-equity/index.htm>

Mrs. Radhika Khurana, Company Secretary has been appointed as the Nodal Officer in terms of the provisions of IEPF Rules and complete details are available on the website of the Company; <http://www.hbestate.com/IEPF/index.html>

7. **THE SECURITIES AND EXCHANGE BOARD OF INDIA (SEBI) VIDE ITS CIRCULAR NO. SEBI/HO/MIRSD/DOP1/CIR/P/2018/73 DATED 20TH APRIL, 2018 HAS DIRECTED ALL LISTED COMPANIES TO ENSURE THAT ANY PAYMENT OF DIVIDEND TO THE SHAREHOLDERS IS MADE THROUGH ELECTRONIC CHANNELS SUCH AS NECS/NEFT/RTGS. THE COMPANIES THROUGH THEIR REGISTRAR AND SHARE TRANSFER AGENTS (RTAS) ARE FURTHER DIRECTED TO COLLECT COPY OF PAN AND BANK ACCOUNT DETAILS OF ALL SHAREHOLDERS HOLDING SHARES IN PHYSICAL FORM. IN VIEW OF THE SAME,**

**(A) Members who hold shares in physical form are requested to:**

- Furnish their PAN and Bank Account details to the Company or Company's Registrar and Share Transfer Agent namely, RCMC Share Registry Pvt. - Convert their holding into Demat Form.
- Provide / update their E-mail ID for communication purpose.

**(B) Members who hold shares in demat form are requested to:**

- Update their Bank Account details with the Depository Participant (DP) to avoid any kind of rejection by the banker; and
- Provide / update their e-mail ID with the Depository Participant (DP) for communication purpose.

**We wish to highlight the following benefits of receiving payments through the Electronic mode rather than receiving drafts / warrants in physical mode.**

- ✓ Ensures timely credit of funds to the specified accounts.
- ✓ Ensures credits are done seamlessly without manual intervention.
- ✓ Eliminates postal / mailing delays.
- ✓ Saves your effort of safekeeping and depositing of physical drafts / warrants at a bank.
- ✓ Helps track receipt of payments from the bank statements.

In compliance with the requirement of the said Circular, members holding securities in physical form were separately communicated by the Company's Registrar and Share Transfer Agent vide three letters at their registered address. As per Regulation 40 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, securities of listed companies can be transferred only in dematerialized form with effect from 01<sup>st</sup> April, 2019, except in case of request received for transmission or transposition of securities. In view of the same and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialised form. Members can contact the Company's RTA for assistance in this regard.

- Members/Proxies should bring Attendance Slips duly filled in for attending the meeting.
- Corporate Members are requested to send a duly Certified Copy of the Board Resolution authorizing their representative(s) to attend and vote on their behalf at the Meeting.
- Shareholders seeking any information with regard to Financial Statements are requested to write to the Company at least seven (7) days before the date of the meeting so as to enable the management to keep the information ready.

11. Route map showing directions to reach the venue of the AGM is given at the end of the Annual Report as per the requirement of the Secretarial Standard-2 (SS-2) on "General Meeting".

**INDEPENDENT AUDITORS' REPORT**

**TO THE MEMBERS OF  
HB ESTATE DEVELOPERS LIMITED**

**Report on the Standalone Financial Statements**

**Opinion**

We have audited the accompanying Standalone Financial Statement of **HB ESTATE DEVELOPERS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended and a summary of Significant Accounting Policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March, 2019, and its loss, total Comprehensive Income, its cash flows and the changes in Equity for the year ended on that date.

**Basis of Opinion**

We conducted our Audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our Audit of the Standalone Financial Statements under the provisions of the Companies Act, 2013 and the Rule thereunder, and we have fulfilled our ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the Audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

**Key Audit Matters**

We have determined that there are no key Audit matter to communicate in our report.

**Information other than the Standalone Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Standalone Financial Statements and our Auditor's Report thereon. The Annual Report is expected to be made available to us after the date of this Auditors' Report. Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our Audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

**Management's Responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the Financial position, Financial performance including other Comprehensive Income, cash flows and changes in Equity of the Company in accordance with the IND AS and other Accounting Principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the Assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate Accounting Policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate Internal Financial Controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

**Auditors' Responsibility**

Our Objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an Audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an Audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the Audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform Audit procedures responsive to those risks, and obtain Audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of Internal Control.
- Obtain an understanding of Internal Control relevant to the Audit in order to design Audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate Internal Financial Controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of Accounting Policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the Audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the Audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the Audit and significant Audit findings, including any significant deficiencies in internal control that we identify during our Audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the Audit of the Standalone Financial Statements for the Financial Year ended March 31, 2019 and are therefore the key Audit matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the **Annexure 'A'** a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.

Annexure referred to in our report of even date to the members of **HB Estate Developers Limited** on the Accounts for the year ended 31<sup>st</sup> March, 2019

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have Audited the Internal Financial Controls over Financial Reporting of **HB Estate Developers Limited** ("the Company") as of 31<sup>st</sup> March, 2019 in conjunction with our Audit of the Standalone Financial Statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining Internal Financial Controls based on the Internal Control over Financial Reporting criteria established by the Company and the components of Internal Control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate Internal Financial Controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its Assets, the prevention and detection of frauds and errors, the accuracy and completeness of the Accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's Internal Financial Controls over Financial Reporting based on our Audit. We conducted our Audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an Audit of Internal Financial Controls, both applicable to an Audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the Audit to obtain reasonable assurance about whether adequate Internal Financial Controls over Financial Reporting was established and maintained and if such controls operated effectively in all material respects.

Our Audit involves performing procedures to obtain Audit evidence about the adequacy of the Internal Financial Controls system over Financial Reporting and their operating effectiveness. Our Audit of Internal Financial Controls over Financial Reporting included obtaining an understanding of Internal Financial Controls over Financial Reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of Internal Control based on the assessed risk. The procedures selected depend on the Auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the Audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's Internal Financial Controls system over Financial Reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A Company's Internal Financial Control over Financial Reporting is a process designed to provide reasonable assurance regarding the reliability of Financial Reporting and the preparation of Standalone Financial Statements for external purposes in accordance with Generally Accepted Accounting Principles. A Company's Internal Financial Control over Financial Reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the Assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with Generally Accepted Accounting Principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's Assets that could have a material effect on the Financial Statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of Internal Financial Control over Financial Reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Control over Financial Reporting to future periods are subject to the risk that the Internal Financial Control over Financial Reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate Internal Financial Control system over Financial Reporting and such Internal Financial Control over Financial Reporting were operating effectively as at 31<sup>st</sup> March, 2019, based on the Internal Control over Financial Reporting criteria established by the Company and the components of Internal Control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI.

**SIGNIFICANT ACCOUNTING POLICIES AND NOTES OF FINANCIAL STATEMENT**

**1. CORPORATE AND GENERAL INFORMATION**

**HB Estate Developers Limited** ("HBEDL") or ("the Company") is domiciled and Incorporated in India. The Company is engaged in the Business of owning and managing hotels and real estate properties.

**2. BASIS OF PREPARATION**

The Financial Statements have been prepared complying in all material respects with the Indian Accounting Standards notified under Section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2015 (as amended). The Financial Statements comply with IND-AS as notified by Ministry of Company Affairs ("MCA"). The Company has consistently applied the Accounting Policies used in the preparation for all periods presented.

The significant Accounting Policies used in preparing the financial statements are set out in Note no.3 of the Notes to the Financial Statements.

The preparation of the Financial Statements requires management to make estimates and assumptions. Actual results could vary from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future years (refer Note no. 4 on critical accounting estimates, assumptions and judgements).

**3. SIGNIFICANT ACCOUNTING POLICIES**

**3.1 BASIS OF MEASUREMENT**

The Financial Statements have been prepared on accrual basis and under the historical cost convention except following which have been measured at fair value:

- Certain Financial Assets and Liabilities carried at amortised cost,
- Defined benefit plans – plan assets measured at fair value,

The Standalone Financial Statements are presented in Indian Rupees, which is the Company's functional and presentation Currency and all amounts are rounded to the nearest Rupees.

**3.2 PROPERTY, PLANT AND EQUIPMENT**

- a) Property, Plant and Equipment are carried at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes expenditure that is directly attributable to the acquisition of the items. Borrowing Cost (if any) during the period of construction is added to the cost of eligible Tangible Assets.
- b) Depreciation is provided on Straight Line Method over the remaining useful life of the Assets in the manner prescribed in Schedule II of the Companies Act, 2013.
- c) The gain or loss arising on the disposal or retirement of an item of Property, Plant and Equipment is determined as the difference between the sales proceeds and the carrying amount of the Asset and is recognised in the Statement of Profit and Loss on the date of disposal or retirement.

**3.3 INTANGIBLE ASSETS**

Identifiable Intangible Assets are recognised:

- a) when the Company controls the Asset,
- b) it is probable that future economic benefits attributed to the Asset will flow to the Company and
- c) the cost of the Asset can be reliably measured.

Computer software's are capitalised at the amounts paid to acquire the respective license for use and are amortised over the period of license, generally not exceeding five years on straight line basis. The assets useful lives are reviewed at each Financial Year end.

**3.4 IMPAIRMENT OF NON-CURRENT ASSETS**

An Asset is considered as impaired when at the date of Balance Sheet there are indications of impairment and the carrying amount of the Asset, or where applicable the cash generating unit to which the Asset belongs exceeds its recoverable amount (i.e. the higher of the net asset selling price and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognized as an impairment loss in the Statement of Profit and Loss. The impairment loss recognized in the prior Accounting Period is reversed if there has been a change in the estimate of recoverable amount. Post impairment, Depreciation is provided on the revised carrying value of the Impaired Asset over its remaining useful life.

**3.5 CASH AND CASH EQUIPMENTS**

Cash and Cash Equivalents includes Cash on Hand and at Bank and other Short-term highly Liquid Investments with original maturities of three months or less that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

For the purpose of the Statement of Cash Flows, Cash and Cash Equivalents consists of cash and short term deposits.

**3.6 INVENTORIES**

Inventories (Real Estate) are valued at lower of cost and Net Realisable Value. Net Realisable Value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale. Stock of Food & Beverages and Stores and Operating Supplies are carried at cost or net realizable value whichever is lower.

**3.7 EMPLOYEE BENEFITS**

- a) Short term employee benefits are recognized as an expense in the Statement of Profit and Loss of the year in which the related services are rendered.
- b) Leave Encashment being a short term benefit is accounted for using the Projected Unit Credit Method, on the basis of actuarial valuations carried out by third party actuaries at each Balance Sheet date. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to Profit and Loss in the period in which they arise.
- c) Contribution to Provident Fund, a defined contribution plan, is made in accordance with the statute, and is recognised as an expense in the year in which employees have rendered services.
- d) The Cost of providing gratuity, a defined benefit plans, is determined using the Projected Unit Credit Method, on the basis of actuarial valuations carried out by third party actuaries at each Balance Sheet date. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to Other Comprehensive Income in the period in which they arise. Other costs are accounted in Statement of Profit and Loss.

**3.8 FOREIGN CURRENCY REINSTATEMENT AND TRANSLATION**

- a) Functional and Presentation Currency

The Financial Statements have been presented in Indian Rupees (₹), which is the Company's functional and Presentation Currency.

- b) Transactions and Balances

Transactions in Foreign Currencies are initially recorded by the Company at rates prevailing at the date of the transaction. Subsequently monetary items are translated at closing exchange rates of Balance Sheet date and the resulting exchange difference recognised in Profit or Loss. Differences arising on settlement of monetary items are also recognised in Profit or Loss.

**3.9 FINANCIAL INSTRUMENTS – INITIAL RECOGNITION, SUBSEQUENT MEASUREMENT AND IMPAIRMENT**

A Financial Instrument is any contract that gives rise to a Financial Asset of one entity and a Financial Liability or equity instrument of another entity.

**FINANCIAL ASSETS**

Financial Assets are measured at amortised cost or fair value through Other Comprehensive Income or fair value through Profit or Loss, depending on its business model for managing those Financial Assets and Liabilities and the Assets and Liabilities contractual Cash Flow characteristics.

Subsequent measurements of Financial Assets are dependent on initial categorisation. For impairment purposes significant Financial Assets are tested on an individual basis, other Financial Assets are assessed collectively in groups that share similar credit risk characteristics.

**TRADE RECEIVABLES**

Trade Receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less Provision for Impairment.

Impairment is made on the expected credit losses, which are the present value of the cash shortfalls over the expected life of Financial Assets. The estimated Impairment losses are recognised in a separate Provision for Impairment and the Impairment losses are recognised in the Statement of Profit and Loss within other expenses.

Subsequent changes in assessment of Impairment are recognised in Provision for Impairment and the change in Impairment losses are recognised in the Statement of Profit and Loss within other expenses.

For Foreign Currency Trade Receivable, Impairment is assessed after reinstatement at closing rates.

Individual receivables which are known to be uncollectible are written off by reducing the carrying amount of Trade Receivable and the amount of the loss is recognised in the Statement of Profit and Loss within other expenses.

Subsequent recoveries of amounts previously written off are credited to other Income

**INVESTMENT IN EQUITY SHARES**

Investment in Equity Securities are initially measured at fair value and is recognised through Profit and Loss account.

**FINANCIAL LIABILITIES**

At initial recognition, all Financial Liabilities other than fair valued through Profit and Loss are recognised initially at fair value less transaction costs that are attributable to the issue of Financial Liability. Transaction costs of Financial Liability carried at fair value through Profit or Loss is expensed in Profit or Loss. However, borrowings which is likely to be assigned or negotiated are initially measured at fair value through Profit and Loss account. Other borrowings are measured at amortised cost using the effective interest rate method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are an integral part of the Effective Rate of Interest (EIR). The EIR amortisation is included in finance costs in the Statement of Profit and Loss.

**TRADE AND OTHER PAYABLES**

Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

**3.10 BORROWING COSTS**

Borrowing Costs specifically relating to the acquisition or construction of qualifying Assets that necessarily takes a substantial period of time to get ready for its intended use are capitalized (net of income on temporarily deployment of funds) as part of the cost of such Assets. Borrowing Costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds.

For general borrowing used for the purpose of obtaining a qualifying Asset, the amount of Borrowing Costs eligible for capitalization is determined by applying a capitalization rate to the expenditures on that Asset. The capitalization rate is the weighted average of the borrowing costs applicable to the borrowings of the Company that are outstanding during the period, other than borrowings made specifically for the purpose of obtaining a qualifying Asset. The amount of Borrowing Costs capitalized during a period does not exceed the amount of Borrowing Cost incurred during that period.

All other Borrowing Costs are expensed in the period in which they occur.

**3.11 TAXATION**

Income tax expense represents the sum of current and deferred tax (including MAT). Tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised directly in Equity or other Comprehensive Income, in such cases the tax is also recognised directly in equity or in other Comprehensive Income. Any subsequent change in direct tax on items initially recognised in Equity or other Comprehensive Income is also recognised in Equity or other Comprehensive Income, such change could be for change in tax rate.

Current Tax provision is computed for Income calculated after considering allowances and exemptions under the provisions of the applicable Income Tax Laws. Current Tax Assets and Current Tax Liabilities are off set, and presented as net.

Deferred Tax is recognised on differences between the carrying amounts of Assets and Liabilities in the Balance Sheet and the corresponding tax bases used in the computation of taxable profit and are accounted for using the liability method. Deferred Tax liabilities are generally recognised for all taxable temporary differences, and Deferred Tax Assets are generally recognised for all deductible temporary differences, carry forward tax losses and allowances to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, carry forward tax losses and allowances can be utilised. Deferred tax assets and liabilities are measured at the applicable tax rates. Deferred Tax Assets and Deferred Tax Liabilities are off set, and presented as net.

The carrying amount of Deferred Tax Assets is reviewed at each Balance Sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available against which the temporary differences can be utilised.

Minimum Alternative Tax (MAT) is applicable to the Company. Credit of MAT is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal Income Tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the MAT credit becomes eligible to be recognised as an Asset, the said Asset is created by way of a credit to the Profit and Loss Account and shown as MAT credit

entitlement. The Company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal Income Tax during the specified period.

**3.12 REVENUE RECOGNITION AND OTHER INCOME**

- a) Revenue from Hotel operations viz room rent, food & beverages and other allied services is recognised upon rendering of services.
- b) In respect of Real Estate Projects undertaken up to 31.03.2005, the Company continues to follow the complete project method of Accounting for projects. In respect of Real Estate Projects undertaken w.e.f. 1st April, 2005, the Revenue is recognised on Percentage Completion Method.
- c) In the case of projects relating to development and Sale of plots and transfer/sale of right, revenue is recognised on execution of transfer documents/possession documents.
- d) Income from services is accounted for on the basis of the bills raised on customers.
- e) The rentals from leased premises are considered as revenue income on accrual basis. In case of sale of leased premises, rental income is accounted for up to the date of flat buyer agreement.

**3.13 RECENT ACCOUNTING DEVELOPEMENT**

**STANDARDS ISSUED BUT NOT YET EFFECTIVE:**

IND AS 116 was notified by Ministry of Corporate Affairs on March 30, 2019 and it is applicable for annual reporting periods beginning on or after April 1, 2019.

IND AS 116 will affect primarily the accounting by lessees and will result in the recognition of almost all leases on Balance Sheet. The standard removes the current distinction between Operating and Finance Leases and requires recognition of an Asset (the right-of-use the leased term) and a Financial Liability to pay rentals for virtually all leases contracts. An optional exemption exists for short-term and low-value Assets. The Company is evaluating the same in the Financial Statement going forward.

**3.14 EARNINGS PER SHARE**

Basic Earnings Per Share are calculated by dividing the net Profit or Loss for the year attributable to Equity Shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of Equity Shares outstanding during the year. Partly paid Equity Shares are treated as a fraction of an Equity Share to the extent that they were entitled to participate in dividends relative to a fully paid Equity Share during the reporting year.

For the purpose of calculating diluted earnings per share, the net Profit or Loss for the year attributable to Equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential Equity Shares, if any.

**3.15 PROVISIONS AND CONTINGENCIES**

**PROVISIONS**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each Balance Sheet date and are adjusted to reflect the current best estimate.

**CONTINGENCIES**

Contingent Liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements. Contingent assets are not recognised. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

**3.16 OPERATING LEASE**

An Operating Lease is a lease other than a Finance Lease. Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as Operating Leases. Initial direct costs incurred in negotiating and arranging an Operating Lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned. Payments/receipts under Operating Lease are recorded in the Statement of Profit and Loss on

a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases.

### 3.17 CURRENT/NON-CURRENT CLASSIFICATION

The Company presents Assets and Liabilities in statement of financial position based on Current/Non-Current Classification.

The Company has presented Non-Current Assets and Current Assets before Equity, Non-Current Liabilities and Current Liabilities in accordance with Schedule III, Division II of Companies Act, 2013 notified by MCA.

An Asset is classified as Current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle,
- Held primarily for the purpose of trading,
- Expected to be realised within twelve months after the reporting period, or
- Cash or Cash Equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as Non-Current.

A Liability is classified as Current when:

- It is expected to be settled in normal operating cycle,
- It is held primarily for the purpose of trading,
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other Liabilities are classified as Non-Current.

The Operating Cycle is the time between the acquisition of Assets for processing and their realisation in Cash or Cash Equivalents.

Deferred Tax Assets and Liabilities are classified as Non-Current Assets and Liabilities.

### 4. CRITICAL ACCOUNTING ESTIMATES, ASSUMPTIONS AND JUDGEMENTS

In the process of applying the Company's Accounting Policies, management has made the following estimates, assumptions and judgements, which have significant effect on the amounts recognised in the Financial Statement:

#### (a) INCOME TAXES

Management judgment is required for the calculation of provision for Income taxes and Deferred Tax Assets and Liabilities. The Company reviews at each Balance Sheet date the carrying amount of Deferred Tax Assets. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the Financial Statements.

#### (b) CONTINGENCIES

Management judgement is required for estimating the possible outflow of resources, if any, in respect of Contingencies/Claim/Litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

#### (c) ALLOWANCE FOR UNCOLLECTED ACCOUNTS RECEIVABLE AND ADVANCES

Trade Receivables do not carry any interest and are stated at their normal value as reduced by appropriate allowances for estimated irrecoverable amounts. Individual trade receivables are written off when management deems them not to be collectible.

Impairment is made on the expected credit losses, which are the present value of the cash shortfall over the expected life of the Financial Assets.

### 5. PROPERTY, PLANT AND EQUIPMENT

(Amount in ₹)

19.3 Brief Particulars of change in Share Capital during the previous Financial Year 2017-18:

- (a) The Company had allotted Equity Shares of ₹ 10 (Rupees Ten) each fully paid-up to the Shareholders of HB Stockholdings Limited in the ratio of 24 (Twenty Four) Equity Shares of ₹ 10/- (Rupees Ten) each fully paid up of the Company for every 100 (One Hundred) Equity Shares held by them in HB Stockholdings Limited. The Company had also allotted Equity Shares of ₹ 10 (Rupees Ten) each fully paid-up to the Shareholders of HB Portfolio Limited in the ratio of 59 (Twenty Four) Equity Shares of ₹ 10/- (Rupees Ten) each fully paid up of the Company for every 100 (One Hundred) Equity Shares held by them in HB Portfolio Limited. As a result of which, the Equity Share capital of the Company increased from ₹ 16,13,82,870 comprising of 1,61,38,287 Equity Shares of ₹ 10/- (Rupees Ten) each fully paid up to ₹ 32,43,32,450 comprising of 3,24,33,245 Equity Shares of ₹ 10/- (Rupees Ten) each fully paid up. Thus 1,62,94,958 Equity Shares of ₹ 10 each fully paid up were issued and allotted pursuant to Composite Scheme of Arrangement.
- (b) After the allotment of Equity Shares by the Company to the Shareholders of HB Stockholdings Limited and HB Portfolio Limited the Equity Share capital of the Company had been reduced by reducing the face value of the Equity Shares from 1 (One) Equity Share of ₹ 10/- (Rupees Ten) fully paid up to 1 (One) Equity Shares of ₹ 6/- (Rupees Six) each fully paid up.

- (c) The Equity Share capital of the Company so reduced had been further consolidated in such a manner that the Shareholders holding 5 (Five) Equity Share of ₹ 6/- (Rupees Six) each fully paid up were allotted 3 (Three) Equity Share of ₹ 10/- (Rupees Ten) each fully paid up in the Equity Share capital of the Company. As a result of which, the Equity Share capital reduced from ₹ 32,43,32,450 comprising of 3,24,33,245 Equity Shares of ₹ 10/- (Rupees Ten) each to ₹ 19,45,99,470 comprising of 1,94,59,947 Equity Shares of ₹ 10/- (Rupees Ten) each.

37. FINANCIAL RISK MANAGEMENT

Financial Risk Factors

The Company's principal Financial Liabilities, comprise Borrowings, Trade and other Payables. The main purpose of these Financial Liabilities is to manage finances for the Company's Operations. The Company has short term trade receivable and bank deposits which are under lien with banks for availing credit facilities. The Company's activities expose it to a variety of financial risks:

i) MARKET RISK

Market Risk is the risk that the fair value or future cash flows of a Financial Instrument will fluctuate because of changes in market prices. Market prices comprise three types of Risk: Currency Rate Risk, Interest Rate Risk and other Price Risks, such as Equity Price Risk and Commodity Risk. Financial Instruments affected by Market Risk include Loans and Borrowings, Deposits and Investments. Foreign Currency Risk is the risk that the fair value or future cash flows of a Financial Instrument will fluctuate because of changes in foreign exchange rates. Interest Rate Risk is the risk that the fair value or future cash flows of a Financial Instrument will fluctuate because of changes in market interest rates. This is based on the Financial Assets and Financial Liabilities held as of March 31, 2018 and March 31, 2019.

ii) CREDIT RISK

Credit risk is the risk that a counter party will not meet its obligations under a Financial Instrument or customer contract, leading to a Financial Loss.

iii) LIQUIDITY RISK

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.

The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the Company's financial performance.

MARKET RISK

The sensitivity analysis excludes the impact of movements in market variables on the carrying value of post-employment benefit obligations provisions and on the Non-Financial Assets and Liabilities. The sensitivity of the relevant Statement of Profit and Loss item is the effect of the assumed changes in the respective Market Risks. The Company's activities expose it to a variety of financial risks, including the effects of changes in Foreign Currency exchange rates and interest rates. However, such effect is not material.

(a) FOREIGN EXCHANGE RISK AND SENSITIVITY

The Company transacts business primarily in Indian Rupee. However, the Company has transactions in USD, Euro, GBP and others. The Company has negligible foreign currency trade payables and is therefore, foreign exchange risk, is not material. There are no other foreign currency monetary items, so the company does not face any foreign exchange risk.

Summary of exchange difference accounted in Statement of Profit and Loss:

Particulars	For the Year ended 31st March, 2019 (In ₹)	For the Year ended 31st March, 2018 (In ₹)
Net Foreign Exchange Loss Shown as Other Expenses	36649	66827

(b) INTEREST RATE RISK AND SENSITIVITY

The Company's exposure to the risk of changes in market interest rates relates primarily to long term debt. All borrowings are at floating rate. Borrowing issued at variable rate expose the Company to cash flow interest rate risk. Weighted average cost of borrowing is 10.97% for the year ended 31<sup>st</sup> March, 2019 (10.80% for the year ended 31<sup>st</sup> March, 2018). With all other variable held constants the following table demonstrate the impact of borrowing cost on floating rate portion of loans and borrowing:

INTEREST RATE SENSITIVITY

Interest rate sensitivity	Increase/Decrease in basis points (In ₹)	Effect on profit before tax (In ₹)
<b>For the year ended March 31, 2019</b>		
INR borrowings	+50	96,45,900
	-50	-96,45,900
<b>For the year ended March 31, 2018</b>		
INR borrowings	+50	97,79,706
	-50	-97,79,706

CREDIT RISK

The Company is not significantly exposed to Credit Risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks which are under lien with banks for availing credit facilities.

TRADE RECEIVABLES

The Company extends credit to corporate customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings for extension of credit to customers. The Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored. However, average credit period to customers is approximately fourteen days. The Company does not allow any credit period in respect of Walk-in Customers and is therefore not exposed to any credit risk.

LIQUIDITY RISK

The Company's objective is to maintain optimum levels of liquidity to meet its cash and collateral requirements. In case of temporary short fall in liquidity to repay the bank borrowing/operational short fall, promoters envisage to infuse capital and loans. The table below provides undiscounted cash flows towards non-derivative Financial Liabilities into relevant maturity based on the remaining period at the balance sheet to the contractual maturity date.

**CAPITAL RISK MANAGEMENT**

The Company aim to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to shareholders.

The Capital Structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. The Company's primary objective when managing capital is to ensure the amount of capital in proportion to risk and manage the Capital Structure in light of changes in economic conditions and the risk characteristics of the underlying Assets. In order to maintain or adjust the Capital Structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares.

The Company's policy is to maintain a stable and strong Capital Structure with a focus on total Equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The Company will take appropriate steps in order to maintain, or if necessary adjust, its Capital Structure.

The Company monitors capital using a gearing ratio, which is net debt divided by total capital. Net Debt is calculated as Loans and Borrowings less cash and cash equivalents.

The Gearing ratio for FY 2018-19 and 2017-18 is an under:

**GEARING RATIO**

**FAIR VALUE HIERARCHY**

The Company measures Financial Instruments at fair value in accordance with the Accounting Policies mentioned above. Fair value is the price that would be received to sell an Asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the Asset or transfer the Liability takes place either:

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: Quoted prices/NAV for identical instruments in an active market;
- Level 2: Directly or indirectly observable market inputs, other than Level 1 inputs; and
- Level 3: Inputs which are not based on observable market data.

When measuring the fair value of an Asset or a Liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an Asset or a Liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

The following table provides the fair value measurement hierarchy of Company's Asset and Liabilities, grouped into Level 1 to Level 2 as described below:

(f) THE PRINCIPAL ACTUARIAL ASSUMPTIONS USED FOR ESTIMATING THE COMPANY'S DEFINED BENEFIT OBLIGATIONS ARE SET OUT BELOW:

Weighted Average Actuarial Assumptions	As at March 31, 2019	As at March 31, 2018
Discount Rate	6.75%	7.00%
Expected Rate of Increase in Salary	6.00%	6.00%
Expected Rate of Return on Plan Assets	0	0
Mortality Rate	IALM 2006-08 Ultimate	IALM 2006-08 Ultimate
Expected Average remaining working lives of Employees ( Years)	28.1	28.6

The assumption of future Salary increase takes into account the Inflation, Seniority, Promotion and other relevant factors such as supply and demand in employment market. Same assumptions were considered for comparative period i.e. 2015-16 as considered in previous GAAP on transition to IND AS.

(g) SENSITIVITY ANALYSIS:

For the Year Ended March 31, 2018

Particulars	Change in Assumption	Effect on Gratuity Obligation (In ₹)	Change in Assumption	Effect on Leave Encashment obligation (In ₹)
Discount Rate	+ 1%	3016635	+ 1 %	2980210

45. IMPAIRMENT REVIEW

Assets are tested for impairment whenever there are any internal or external indicators of impairment.

Impairment test is performed at the level of each Cash Generating Unit ('CGU') or groups of CGUs within the Company at which the goodwill or other Assets are monitored for internal management purposes, within an operating segment.

The impairment assessment is based on higher of value in use and value from sale calculations.

During the year, the testing did not result in any impairment in the carrying amount of goodwill and other Assets.

The measurement of the cash generating units value in use is determined based on financial plans that have been used by management for internal purposes. The planning horizon reflects the assumptions for short-to- mid-term market conditions.

Key assumptions used in value-in-use calculations:

- Operating margins (Earnings before interest and taxes)
- Discount rate
- Growth rates
- Capital expenditures

**Operating Margins:** Operating margins have been estimated based on past experience after considering incremental revenue arising out of adoption of valued added and data services from the existing and new customers, though these benefits are partially offset by decline in tariffs in a hyper competitive scenario. Margins will be positively impacted from the efficiencies and initiatives driven by the Company; at the same time, factors like higher churn, increased cost of operations may impact the margins negatively.

**Discount Rate:** Discount rate reflects the current market assessment of the risks specific to a CGU or group of CGUs. The discount rate is estimated based on the weighted average cost of capital for respective CGU or group of CGUs.

**Growth Rate:** The Growth rate used are in line with the long term average growth rates of the respective industry and country in which the Company operates and are consistent with the forecasts included in the industry reports.

**Capital Expenditure:** The Cash flow forecasts of Capital Expenditure are based on past experience coupled with additional Capital Expenditure required

The Annual Report is expected to be made available to us after the date of this Auditors' Report. Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our Audit of the Consolidated Financial Statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the Audit or otherwise appears to be materially misstated.

**Management's Responsibility for the Consolidated Financial Statements**

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the Financial Position, Financial Performance including Other Comprehensive Income, Cash Flows and changes in Equity of the Company in accordance with the Ind AS and other Accounting Principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the Assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate Internal Financial Controls, that were operating effectively for ensuring the accuracy and completeness of the Accounting records, relevant to the preparation and presentation of the Consolidated Financial Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the respective Board of Directors of the Companies included in the Group and its associate ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

**Auditors' Responsibility**

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an Audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an Audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the Audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform Audit procedures responsive to those risks, and obtain Audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of Internal Control.
- Obtain an understanding of Internal Control relevant to the Audit in order to design Audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate Internal Financial Controls System in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of Accounting Policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the Audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the Audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate Audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the Audit of the Financial Statements of such entities included in the Consolidated Financial Statements of which we are the Independent Auditors. For the other entities included in the Consolidated Financial Statements, which have been Audited by other Auditors, such other Auditors remain responsible for the direction, supervision and performance of the Audits carried out by them. We remain solely responsible for our Audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the Audit and significant Audit findings, including any significant deficiencies in internal control that we identify during our Audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the Audit of the Consolidated Financial Statements for the Financial Year ended 31<sup>st</sup> March, 2019 and are therefore the key Audit matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Other Matters**

The Consolidated Financial Statements include the Group's share of net loss of ₹ Nil/- for the year ended 31<sup>st</sup> March, 2019, as considered in the Consolidated Financial Statements. These Financial Statements / Financial Information have been Audited by other Auditors whose reports have been furnished to us by the Management and our opinion on /the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of the associate, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act in so far as it relates to the aforesaid associate, is based solely on the reports of the Auditor.

Our opinion on the Consolidated Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other Auditors.

**Report on Other Legal and Regulatory Requirements**

As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
- b. In our opinion, proper books of account as required by law maintained by the Company, including relevant records relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and records of the Company.
- c. - d. In our opinion, the aforesaid Consolidated Financial Statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015 (as amended).
- e. On the basis of written representation received from the directors as on 31<sup>st</sup> March, 2019, taken on record by the Board of Directors, none of the Directors of the Company is disqualified as on 31<sup>st</sup> March, 2019 from being appointed as a Director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy of the Internal Financial Controls over Financial Reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Consolidated Financial Statements disclose the impact of pending litigations on the Consolidated Financial Position of the Group – Refer Note No. 49 of the Consolidated Financial Statements.
  - ii. The Group did not have any long-term contracts including derivative contracts as at 31<sup>st</sup> March, 2019.
  - iii. There were no amounts, which were required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended on 31<sup>st</sup> March, 2019.
- h. With respect to the matter to be included in the Auditor's Report under Section 197(16):

The Group has not paid any managerial remuneration for the year ended 31<sup>st</sup> March, 2019 to its Directors.

**ANNEXURE – A**

Referred to in paragraph 9(f) of the Independent Auditor's Report of even date to the Board of Directors of HB Estate Developers Limited on the Consolidated Financial Statements for the year ended 31<sup>st</sup> March, 2019

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act**

We have Audited the Internal Financial Controls over Financial Reporting of HB Estate Developers Limited ("the Company") as of 31<sup>st</sup> March, 2019 in conjunction with our Audit of the Consolidated Financial Statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining Internal Financial Controls based on the Internal Control over Financial Reporting criteria established by the Company considering the essential components of Internal Control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate Internal Financial Controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's Policies, the safeguarding of its Assets, the prevention and detection of frauds and errors, the accuracy and completeness of the Accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's Internal Financial Controls over Financial Reporting based on our Audit. We conducted our Audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an Audit of Internal Financial Controls, both applicable to an Audit of Internal Financial Controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the Audit to obtain reasonable assurance about whether adequate Internal Financial Controls over Financial Reporting was established and maintained and if such controls operated effectively in all material respects.

Our Audit involves performing procedures to obtain Audit evidence about the adequacy of the Internal Financial Controls system over Financial Reporting and their operating effectiveness. Our Audit of Internal Financial Controls over Financial Reporting included obtaining an understanding of Internal Financial Controls over Financial Reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the Audit evidence we have obtained is sufficient and appropriate to provide a basis for our Audit opinion on the Company's Internal Financial Controls system over Financial Reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A company's Internal Financial Control over Financial Reporting is a process designed to provide reasonable assurance regarding the reliability of Financial Reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted Accounting Principles. A Company's Internal Financial Control over Financial Reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the Assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted Accounting Principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's Assets that could have a material effect on the Financial Statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of Internal Financial Control over Financial Reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Control over Financial Reporting to future periods are subject to the risk that the Internal Financial Control over Financial Reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate Internal Financial Control system over Financial Reporting and such Internal Financial Control over Financial Reporting were operating effectively as at 31<sup>st</sup> March, 2019, based on the Internal Control over Financial Reporting criteria established by the Company considering the essential components of Internal Control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## SIGNIFICANT ACCOUNTING POLICIES AND NOTES OF CONSOLIDATED FINANCIAL STATEMENT

### 1. CORPORATE AND GENERAL INFORMATION

HB Estate Developers Limited ("HBEDL") or ("the Company") is domiciled and incorporated in India. The Company is engaged in the Business of owning and managing hotels and real estate properties.

The Company has one associate namely Parsvnath HB Projects Private Limited wherein company's share is 49% and is doing business of real estate.

### 2. BASIS OF PREPARATION

The Consolidated Financial comprise of Standalone Financial Statements along with its one Associate and has been prepared in all material respects with the Indian Accounting Standards notified under Section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rule 2015 (as amended). The Consolidated Financial Statements comply with IND AS notified by Ministry of Company Affairs ("MCA"). The Company and its associate has consistently applied the accounting policies used in the preparation for all periods presented.

The significant Accounting Policies used in preparing the Consolidated Financial Statements are set out in Note no.3 of the Notes to the Consolidated Financial Statements.

The preparation of the Consolidated Financial Statements requires management to make estimates and assumptions. Actual results could vary from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to Accounting estimates are recognised in the period in which the estimates are revised if the revision effects only that period or in the period of the revision and future periods if the revision affects both current and future years (refer Note no.4 on critical Accounting estimates, assumptions and judgements).

#### BASIS OF CONSOLIDATION

The Consolidated Financial Statements related to HB Estate Developers Ltd and its Associate Company Parsvnath HB Projects Pvt Ltd. The Consolidated Financial Statements have been prepared on the following principles:

Interest in Associate is consolidated using Equity Method as per IND AS 28 – 'Investment in Associates and Joint Ventures'. Under the Equity method, post-acquisition attributable profit/losses are adjusted in the carrying value of investment upto the investment in the Associate.

The Consolidated Financial Statements have been prepared using uniform Accounting Policies for like transactions and events in similar circumstances and are presented to the extent possible, in the same manner as the Company's separate Financial Statements.

### 3. SIGNIFICANT ACCOUNTING POLICIES

#### 3.1 BASIS OF MEASUREMENT

The Consolidated Financial Statements have been prepared on accrual basis and under the historical cost convention except following which have been measured at fair value:

- Certain Financial Assets and Liabilities carried at amortised cost,
- Defined benefit plans – plan assets measured at fair value,

The Consolidated Financial Statements are presented in Indian Rupees, which is the Company's functional and presentation currency and all amounts are rounded to the nearest rupees.

#### 3.2 PROPERTY, PLANT AND EQUIPMENT

- a) Property, Plant and Equipment are carried at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes expenditure that is directly attributable to the acquisition of the items. Borrowing Cost (if any) during the period of construction is added to the cost of eligible Tangible Assets.
- b) Depreciation is provided on Straight Line Method over the remaining useful life of the assets in the manner prescribed in Schedule II of the Companies Act, 2013.
- c) The gain or loss arising on the disposal or retirement of an item of Property, Plant and Equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss on the date of disposal or retirement.

#### 3.3 INTANGIBLE ASSETS

Identifiable Intangible Assets are recognised:

- a) When the Company and its associate controls the Asset,
- b) It is probable that future economic benefits attributed to the Asset will flow to the Company and its Associate and

- c) The Cost of the Asset can be reliably measured.

Computer software's are capitalised at the amounts paid to acquire the respective license for use and are amortised over the period of license, generally not exceeding five years on straight line basis. The assets' useful lives are reviewed at each financial year end.

#### 3.4 IMPAIRMENT OF NON-CURRENT ASSETS

An Asset is considered as impaired when at the date of Balance Sheet there are indications of impairment and the carrying amount of the asset, or where applicable the cash generating unit to which the asset belongs exceeds its recoverable amount (i.e. the higher of the net asset selling price and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognized as an impairment loss in the Statement of Profit and Loss. The impairment loss recognized in the prior Accounting period is reversed if there has been a change in the estimate of recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the impaired asset over its remaining useful life.

#### 3.5 CASH AND CASH EQUIPMENTS

Cash and Cash Equivalents includes Cash on hand and at bank and other short-term highly liquid investments with original maturities of three months or less that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

For the purpose of the Statement of Cash Flows, Cash and Cash Equivalents consists of cash and short term deposits.

#### 3.6 INVENTORIES

Inventories (real estate) are valued at lower of cost and net realisable value. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale. Stock of Food & Beverages and stores and operating supplies are carried at cost or net realizable value whichever is lower.

#### 3.7 EMPLOYEE BENEFITS

- a) Short term employee benefits are recognized as an expense in the Statement of Profit and Loss of the year in which the related services are rendered.
- b) Leave encashment being a short term benefit is accounted for using the Projected Unit Credit Method, on the basis of actuarial valuations carried out by third party actuaries at each Balance Sheet date. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to profit and loss in the period in which they arise.
- c) Contribution to Provident Fund, a defined contribution plan, is made in accordance with the statute, and is recognised as an expense in the year in which employees have rendered services.
- d) The cost of providing gratuity, a defined benefit plans, is determined using the Projected Unit Credit Method, on the basis of actuarial valuations carried out by third party actuaries at each Balance Sheet date. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to Other Comprehensive Income in the period in which they arise. Other costs are accounted in statement of profit and loss.

#### 3.8 FOREIGN CURRENCY REINSTATEMENT AND TRANSLATION

- (a) Functional and presentation currency

The Consolidated Financial Statements have been presented in Indian Rupees (₹), which is the Company and its Associate's functional and presentation currency.

- (b) Transactions and Balances

Transactions in foreign currencies are initially recorded by the Company and its associate at rates prevailing at the date of the transaction. Subsequently monetary items are translated at closing exchange rates of balance sheet date and the resulting exchange difference recognised in profit or loss. Differences arising on settlement of monetary items are also recognised in profit or loss.

#### 3.9 FINANCIAL INSTRUMENTS – INITIAL RECOGNITION, SUBSEQUENT MEASUREMENT AND IMPAIRMENT

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

##### FINANCIAL ASSETS

Financial Assets are measured at amortised cost or fair value through Other Comprehensive Income or fair value through Profit or Loss, depending on its business model for managing those financial assets and liabilities and the assets and liabilities contractual cash flow characteristics.

Subsequent measurements of financial assets are dependent on initial categorisation. For impairment purposes significant financial assets are tested on an individual basis, other financial assets are assessed collectively in groups that share similar credit risk characteristics.

**TRADE RECEIVABLES**

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

Impairment is made on the expected credit losses, which are the present value of the cash shortfalls over the expected life of financial assets. The estimated impairment losses are recognised in a separate provision for impairment and the impairment losses are recognised in the Statement of Profit and Loss within other expenses.

Subsequent changes in assessment of impairment are recognised in provision for impairment and the change in impairment losses are recognised in the Statement of Profit and Loss within other expenses.

For foreign currency trade receivable, impairment is assessed after reinstatement at closing rates.

Individual receivables which are known to be uncollectible are written off by reducing the carrying amount of trade receivable and the amount of the loss is recognised in the Statement of Profit and Loss within other expenses.

Subsequent recoveries of amounts previously written off are credited to other Income

**INVESTMENT IN EQUITY SHARES**

Investment in equity securities are initially measured at fair value and is recognised through Profit and Loss account.

**FINANCIAL LIABILITIES**

At initial recognition, all financial liabilities other than fair valued through profit and loss are recognised initially at fair value less transaction costs that are attributable to the issue of financial liability. Transaction costs of financial liability carried at fair value through profit or loss is expensed in profit or loss. However, borrowings, which is likely to be assigned or negotiated are initially measured at fair value through profit and loss account. Other borrowings are measured at amortised cost using the effective interest rate method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are an integral part of the Effective rate of interest (EIR). The EIR amortisation is included in finance costs in the Statement of Profit and Loss.

**TRADE AND OTHER PAYABLES**

Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

**3.10 BORROWING COSTS**

Borrowing costs specifically relating to the acquisition or construction of qualifying assets that necessarily takes a substantial period of time to get ready for its intended use are capitalized (net of income on temporarily deployment of funds) as part of the cost of such assets. Borrowing costs consist of interest and other costs that the Company and its associate incurs in connection with the borrowing of funds.

For general borrowing used for the purpose of obtaining a qualifying asset, the amount of borrowing costs eligible for capitalization is determined by applying a capitalization rate to the expenditures on that asset. The capitalization rate is the weighted average of the borrowing costs applicable to the borrowings of the Company and its associate that are outstanding during the period, other than borrowings made specifically for the purpose of obtaining a qualifying asset. The amount of borrowing costs capitalized during a period does not exceed the amount of borrowing cost incurred during that period.

All other borrowing costs are expensed in the period in which they occur.

**3.11 TAXATION**

Income tax expense represents the sum of current and deferred tax (including MAT). Tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised directly in equity or other comprehensive income, in such cases the tax is also recognised directly in equity or in other comprehensive income. Any subsequent change in direct tax on items initially recognised in equity or other comprehensive income is also recognised in equity or other comprehensive income, such change could be for change in tax rate.

Current tax provision is computed for Income calculated after considering allowances and exemptions under the provisions of the applicable Income Tax Laws. Current tax assets and current tax liabilities are off set, and presented as net.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the Balance sheet and the corresponding tax bases used in the computation of taxable profit and are accounted for using the liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are generally recognised for all deductible temporary differences, carry forward tax losses and allowances to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, carry forward tax losses and allowances can be utilised. Deferred tax assets and liabilities are measured at the applicable tax rates. Deferred tax assets and deferred tax liabilities are off set, and presented as net.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available against which the temporary differences can be utilised.

Minimum Alternative Tax (MAT) is applicable to the Company and its associate. Credit of MAT is recognised as an asset only when and to the extent there is convincing evidence that the Company and its associate will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the profit and loss account and shown as MAT credit entitlement. The Company and its associate reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that the Company and its associate will pay normal income tax during the specified period.

**3.12 REVENUE RECOGNITION AND OTHER INCOME**

- a) Revenue from Hotel operations viz room rent, food & beverages and other allied services is recognised upon rendering of services.
- b) In respect of Real Estate Projects undertaken up to 31.03.2005, the company and its associate continues to follow the complete project method of accounting for projects. In respect of Real Estate Projects undertaken w.e.f. 1st April, 2005, the revenue is recognised on Percentage Completion Method.
- c) In the case of projects relating to development and sale of plots and transfer/sale of right, revenue is recognised on execution of transfer documents/possession documents.
- d) Income from services is accounted for on the basis of the bills raised on customers.
- e) The rentals from leased premises are considered as revenue income on accrual basis. In case of sale of leased premises, rental income is accounted for up to the date of flat buyer agreement.

**3.13 RECENT ACCOUNTING DEVELOPEMENT**

**STANDARDS ISSUED BUT NOT YET EFFECTIVE:**

Ind AS 116 was notified by Ministry of Corporate Affairs on March 30, 2019 and it is applicable for annual reporting periods beginning on or after April 1, 2019.

Ind AS 116 will affect primarily the accounting by lessees and will result in the recognition of almost all leases on balance sheet. The standard removes the current distinction between operating and finance leases and requires recognition of an asset (the right-of-use the leased term) and a financial liability to pay rentals for virtually all leases contracts. An optional exemption exists for short-term and low-value assets. The company is evaluating the same in the financial statement going forward.

**3.14 EARNINGS PER SHARE**

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the year. Partly paid equity shares are treated as a fraction of an equity share to the extent that they were entitled to participate in dividends relative to a fully paid equity share during the reporting year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares, if any.

**3.15 PROVISIONS AND CONTINGENCIES**

**PROVISIONS**

Provisions are recognised when the Company and its associate has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

**CONTINGENCIES**

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company and its associate or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the consolidated Financial Statements. Contingent assets are not recognised. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

**3.16 OPERATING LEASE**

An operating lease is a lease other than a finance lease. Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned. Payments/receipts under operating lease are recorded in the Statement of Profit and Loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases.

**3.17 CURRENT/NON-CURRENT CLASSIFICATION**

The Company and its associate presents assets and liabilities in statement of financial position based on current/non-current classification.

The Company and its associate has presented non-current assets and current assets before equity, non-current liabilities and current liabilities in accordance with Schedule III, Division II of Companies Act, 2013 notified by MCA.

An asset is classified as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle,
- Held primarily for the purpose of trading,
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is classified as current when:

- It is expected to be settled in normal operating cycle,
- It is held primarily for the purpose of trading,
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

**4. CRITICAL ACCOUNTING ESTIMATES, ASSUMPTIONS AND JUDGEMENTS**

In the process of applying the Company and its associate's accounting policies, management has made the following estimates, assumptions and judgements, which have significant effect on the amounts recognised in the consolidated financial statement:

**(a) INCOME TAXES**

Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities. The Company and its associate reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the consolidated financial statements.

**(b) CONTINGENCIES**

Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the Company and its associate as it is not possible to predict the outcome of pending matters with accuracy.

**(c) ALLOWANCE FOR UNCOLLECTED ACCOUNTS RECEIVABLE AND ADVANCES**

Trade receivables do not carry any interest and are stated at their normal value as reduced by appropriate allowances for estimated irrecoverable amounts. Individual trade receivables are written off when management deems them not to be collectible.

Impairment is made on the expected credit losses, which are the present value of the cash shortfall over the expected life of the financial assets.

**19.3 Brief Particulars of change in Share Capital during the previous Financial Year 2017-18**

- (a) The Company had allotted Equity Shares of ₹ 10 (Rupees Ten) each fully paid-up to the Shareholders of HB Stockholdings Limited in the ratio of 24 (Twenty Four) Equity Shares of ₹ 10/- (Rupees Ten) each fully paid up of the Company for every 100 (One Hundred) Equity Shares held by them in HB Stockholdings Limited. The Company had also allotted Equity Shares of ₹ 10 (Rupees Ten) each fully paid-up to the Shareholders of HB Portfolio Limited in the ratio of 59 (Twenty Four) Equity Shares of ₹ 10/- (Rupees Ten) each fully paid up of the Company for every 100 (One Hundred) equity shares held by them in HB Portfolio Limited. As a result of which, the Equity Share capital of the Company increased from ₹ 16,13,82,870 comprising of 1,61,38,287 Equity Shares of ₹ 10/- (Rupees Ten) each fully paid up to ₹ 32,43,32,450 comprising of 3,24,33,245 Equity Shares of ₹ 10/- (Rupees Ten) each fully paid up. Thus 1,62,94,958 Equity Shares of ₹ 10 each fully paid up were issued and allotted pursuant to composite scheme of arrangement.
- (b) After the allotment of Equity Shares by the Company to the Shareholders of HB Stockholdings Limited and HB Portfolio Limited the equity share capital of the Company had been reduced by reducing the face value of the Equity Shares from 1 (One) Equity Share of ₹ 10/- (Rupees Ten) fully paid up to 1 (One) Equity Shares of ₹ 6/- (Rupees Six) each fully paid up.

- (c) The Equity Share Capital of the Company so reduced had been further consolidated in such a manner that the Shareholders holding 5 (Five) Equity Share of ₹ 6/- (Rupees Six) each fully paid up were allotted 3 (Three) Equity Share of ₹ 10/- (Rupees Ten) each fully paid up in the Equity Share Capital of the Company. As a result of which, the Equity Share Capital reduced from ₹ 32,43,32,450 comprising of 3,24,33,245 Equity Shares of ₹ 10/- (Rupees Ten) each to ₹ 19,45,99,470 comprising of 1,94,59,947 Equity Shares of ₹ 10/- (Rupees Ten) each.

**37. FINANCIAL RISK MANAGEMENT**
**FINANCIAL RISK FACTORS**

The Company and its associate's principal financial liabilities, comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to manage finances for the Company and its associate's operations. The Company and its associate has short term trade receivable and bank deposits which are under lien with banks for availing credit facilities. The Company and its associate's activities expose it to a variety of financial risks:

**i) MARKET RISK**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits and investments. Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. This is based on the financial assets and financial liabilities held as of March 31, 2018 and March 31, 2019.

**ii) CREDIT RISK**

Credit risk is the risk that a counter party will not meet its obligations under a Financial Instrument or customer contract, leading to a Financial Loss.

**iii) LIQUIDITY RISK**

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.

The Company and its associate's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the Company and its associate's financial performance.

**MARKET RISK**

The sensitivity analysis excludes the impact of movements in market variables on the carrying value of post-employment benefit obligations provisions and on the Non-Financial Assets and Liabilities. The sensitivity of the relevant Statement of Profit and Loss item is the effect of the assumed changes in the respective Market Risks. The Company's activities expose it to a variety of financial risks, including the effects of changes in Foreign Currency exchange rates and interest rates. However, such effect is not material.

**(a) FOREIGN EXCHANGE RISK AND SENSITIVITY**

The Company transacts business primarily in Indian Rupee. However, the Company and its associate has transactions in USD, Euro, GBP and others. The Company and its associate has negligible foreign currency trade payables and is therefore, foreign exchange risk, is not material. There are no other foreign currency monetary items, so the company and its associate does not face any foreign exchange risk.

Summary of exchange difference accounted in Statement of Profit and Loss:

Particulars	For the Year ended 31st March, 2019 (in ₹)	For the Year ended 31st March, 2018 (in ₹)
Net Foreign Exchange Loss Shown as Other Expenses	36649	66827

There is no exchange rate sensitivity for the associate which has been dealt for in the financial statements.

**(b) INTEREST RATE RISK AND SENSITIVITY**

The Company's exposure to the risk of changes in market interest rates relates primarily to long term debt. All borrowings are at floating rate. Borrowing issued at variable rate expose the company and its associate to cash flow interest rate risk. Weighted average cost of borrowing is 10.97% for the year ended 31st March, 2019 (10.80% for the year ended 31st March, 2018). With all other variable held constants the following table demonstrate the impact of borrowing cost on floating rate portion of loans and borrowing:

There is no interest rate risk sensitivity for the associate which has been dealt for in the financial statements.

**INTEREST RATE SENSITIVITY**

Interest rate sensitivity	Increase/Decrease in basis points (in ₹)	Effect on profit before tax (in ₹)
<b>For the year ended March 31, 2019</b>		
INR borrowings	+50	96,45,900
	-50	-96,45,900
<b>For the year ended March 31, 2018</b>		
INR borrowings	+50	97,79,706
	-50	-97,79,706

**CREDIT RISK**

The Company is not significantly exposed to Credit Risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks which are under lien with banks for availing credit facilities.

**(a) TRADE RECEIVABLES**

The Company extends credit to corporate customers in normal course of business. The Company and its associate considers factors such as credit track record in the market and past dealings for extension of credit to customers. The Company and its associate monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored. However, average credit period to customers is approximately fourteen days. The company and its associate does not allow any credit period in respect of Walk-in Customers and is therefore not exposed to at any credit risk.

**LIQUIDITY RISK**

The Company's objective is to maintain optimum levels of liquidity to meet its cash and collateral requirements. In case of temporary short fall in liquidity to repay the bank borrowing/operational short fall, promoters envisage to infuse capital and loans.

The table below provides undiscounted cash flows towards non-derivative financial liabilities into relevant maturity based on the remaining period at the balance sheet to the contractual maturity date.

**CAPITAL RISK MANAGEMENT**

The Company and its associate aim to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to shareholders.

The capital structure of the Company and its associate is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. The Company and its associate's primary objective when managing capital is to ensure the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company and its associate may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares.

The Company and its associate's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The Company and its associate will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

The Company and its associate monitors capital using a gearing ratio, which is net debt divided by total capital. Net debt is calculated as loans and borrowings less cash and cash equivalents.

The Gearing ratio for FY 2018-19 and 2017-18 is as under:

**GEARING RATIO**

**FAIR VALUE HIERARCHY**

The Company and its associate measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: Quoted prices/NAV for identical instruments in an active market;
- Level 2: Directly or indirectly observable market inputs, other than Level 1 inputs; and
- Level 3: Inputs which are not based on observable market data.

When measuring the fair value of an asset or a liability, the Company and its associate uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Company and its associate recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

The following table provides the fair value measurement hierarchy of Company and its associate's asset and liabilities, grouped into Level 1 to Level 2as described below:

The above sensitivity analysis is based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (projected unit credit method) has been applied as when calculating the defined benefit obligation recognised within the Balance Sheet.

Other Comprehensive Income presentation of Defined Benefit Plan

- Gratuity is Defined Benefit Plan, Re-measurement gains / (losses) on defined benefit plans is shown under Other Comprehensive Income as Items that will not be reclassified to Profit or Loss and also the Income Tax effect on the same.
- Leave Encashment Cost is in the nature of short term employee benefits.

Presentation in Statement of Profit and Loss and Balance Sheet

Expense for service cost, Net Interest on Net Defined Benefit Liability (Asset) is charged to Statement of Profit & Loss.

Ind AS 19 do not require segregation of provision in Current and Non-Current, however Net Defined Liability (Assets) is shown as Current and Non-Current Provision in Balance Sheet as per Ind AS 1.

Actuarial Liability for short term benefits (leave encashment cost) is shown as Current and Non-Current provision in Balance Sheet.

The Company assesses these assumptions with its projected long-term plans of growth and prevalent industry standards. The mortality rates used are as published by one of the leading life insurance companies in India.

42. OTHER DISCLOSURES

(a) Details of loans given, Investment made and Guarantees given, covered U/S 186(4) of the Companies Act 2013.

- Investment made and loan given is disclosed under the Investment Schedule and loan schedule of balance sheet (refer note 7 & 15 read with note no. 44). The company has not given any guarantee.

43. CONTINGENT LIABILITIES

**45. IMPAIRMENT REVIEW**

Assets are tested for impairment whenever there are any internal or external indicators of impairment.

Impairment test is performed at the level of each Cash Generating Unit ('CGU') or groups of CGUs within the Company at which the goodwill or other Assets are monitored for internal management purposes, within an operating segment.

The impairment assessment is based on higher of value in use and value from sale calculations.

During the year, the testing did not result in any impairment in the carrying amount of goodwill and other Assets.

The measurement of the cash generating units value in use is determined based on financial plans that have been used by management for internal purposes. The planning horizon reflects the assumptions for short- to- mid-term market conditions.

Key assumptions used in value-in-use calculations:

- Operating margins (Earnings before interest and taxes)
- Discount rate
- Growth rates
- Capital expenditures

**Operating Margins:** Operating margins have been estimated based on past experience after considering incremental revenue arising out of adoption of valued added and data services from the existing and new customers, though these benefits are partially offset by decline in tariffs in a hyper competitive scenario. Margins will be positively impacted from the efficiencies and initiatives driven by the Company; at the same time, factors like higher churn, increased cost of operations may impact the margins negatively.

**Discount Rate:** Discount rate reflects the current market assessment of the risks specific to a CGU or group of CGUs. The discount rate is estimated based on the weighted average cost of capital for respective CGU or group of CGUs.

**Growth Rate:** The Growth rate used are in line with the long term average growth rates of the respective industry and country in which the Company operates and are consistent with the forecasts included in the industry reports.

**Capital Expenditure:** The Cash flow forecasts of Capital Expenditure are based on past experience coupled with additional Capital Expenditure required
